

MADISON 56ERS SOCCER CLUB LETTER FROM THE DIRECTOR OF COACHING

Welcome everyone to the Madison 56ers Soccer Club tryouts for the 2011-2012 soccer season.

Involvement in the Madison 56ers Soccer Club is a source of pride and accomplishment for its players, coaches and parents. Expectations are high for anyone joining this well-established soccer family, which has been in existence for over 50 years.

We are firmly dedicated to providing a soccer environment that will allow every player to learn and grow to the best of her/his ability and for the top level of play to be achieved by those who seek it.

What to Expect from the Madison 56ers:

- Safe, fun, challenging and developmentally appropriate training environment.
- Trainers and coaches dedicated to getting the most from each player, challenging players to improve every day and to play the game because they love it.
- Information and feedback that properly educates players in order to improve their abilities and to provide a smooth transition from one level to the next.

What the Madison 56ers Expect:

- Players willing to give their all to learning this great game with consistent practice and game attendance.
- Players who are mentally prepared to work hard, to compete, and to perform to the best of their abilities.
- Players who support their team and their club.

The goal of the Madison 56ers Soccer Club and its coaching staff is to provide an educational and rewarding soccer playing experience for all of its members. It is also the goal of each team to play at the highest level possible, be that locally, state or regionally. This year the club is excited to enter our boy's Red teams in the National Premier League at the U13-U18 age levels. The building blocks for this begin at U-11 & U-12, where individual skill development is the cornerstone of a soccer players' development.

It is important to note that the 56ers are coached by a group of professionals that works together in order to maximize their effectiveness with the players. While each team has a primary coach, other staff members will lead trainings from time to time. This allows for different perspectives and insights that can be applied to the players, enhancing their soccer education. We strongly believe in our coaches and their abilities to provide exceptional training environments for our teams and players.

Again, welcome and good luck in all of your future soccer endeavors!

MADISON 56ers SOCCER CLUB PLAYER / FAMILY EXPECTATIONS

WHO WE ARE

The Madison 56ers Soccer Club is a 55-year-old program dedicated to developing soccer talent and has earned success at all levels of play including 22 Youth State Championships, 1 Men's National Championship, 6 Men's State Championships, 4 Men's Region II Championships, and 3 Women's State Championships. Every member of the fully licensed coaching staff is totally committed to this long-term process and all programs and resources in the club are focused on player development. The depth of talent and experience of our coaching staff allows the Madison 56ers to provide a stable youth soccer career for players at all ages. In our club, this process begins at the Under-11 age group. We are firmly dedicated to providing a soccer environment that will allow every player to learn and grow to the best of their abilities.

CALENDAR

The Madison 56ers yearly calendar is divided into 5 periods. (Please note that the dates are approximate and could change).

Fall Season: (August – early November)

Team trainings begin in early August and continue through the end of October. Team trainings are held two (most U-11 & U-12 teams) to three times a week during this period. Opportunities for some younger players to occasionally train a third time during the week may also be provided. White and Silver teams train two times per week.

Team trainings during the fall and spring are mandatory. U-11 and some U-12 teams compete in local MAYSA (Madison Area Youth Soccer Association) leagues; games are basically within Dane County. The teams will compete in 2-3 tournaments, most likely local or within a few hours' drive. Older boy's teams compete in the WYSA (Wisconsin Youth Soccer Association) State Leagues and the newly formed National Premier League, a highly competitive regional league (please see NPL Q&A insert). Girl's teams will also look to compete in the WYSA state league and the Midwest Regional League (MRL). Some teams travel further for tournament competition. High school girls play State Cup during the fall season. ***Attendance at all scheduled team events including practices and especially League games and State Cup games is mandatory.***

Off: (November)

We encourage athletes of all ages to have an off-season.

Winter Season: (December -March)

During this period, the teams train with a 2-3 week break during the weeks of Christmas and New Years. Trainings during the winter are encouraged but are not mandatory. We understand that, especially at young ages, athletes play many different sports and during the winter season other sports take priority in the athlete's schedule. However, because development is a year-round process, we offer trainings during this period and encourage athletes to attend as many indoor trainings as possible. Additional trainings may be scheduled by the team. The team may also compete in 1-2 sessions of indoor and/or in 1 indoor tournament during this time. Players' fees do not cover indoor competition or additional indoor training scheduled by the team.

Spring Season: (April – mid-June)

This is the second major season of the year. The training and game structure is very similar to the fall season, though the season is shorter. The team may compete in about 2-3 tournaments, including State Cup (usually falls on Memorial Day Weekend) for Red teams U-13 and older and some White Teams. Once again, **attendance at all scheduled team events including practices and especially League games and State Cup game is mandatory.**

Please note the high school players will have a slightly different schedule due to the actual high school seasons.

Summer Season: (mid-June – July)

High school girls teams will train during this time frame beginning in July. High school boys will train and play a modest 'friendly' schedule, with teams made up of players who want the most from the summer season. Try-outs are typically held immediately before this period, and the next year's team is selected. At this point, the calendar begins again.

GENERAL INFORMATION:

- ❖ Red (1st) v White (2nd) v Silver Teams: The difference between Red and White teams generally revolves around time commitment level. Red teams look to train 3 times a week (U13 and above) while White and Silver teams train twice a week. Red teams look to participate in 6 tournaments and State Cup while White teams participate in 5 tournaments and usually do not play in State Cup. Silver teams are similar to White teams, except they will attend 4 tournaments.
- ❖ Madison 56ers teams will occasionally train together across age groups. This keeps the training environment fresh and exposes players to new coaches and new friends. This also allows for more specific functional training and challenges more advanced players. Teams across the age group may also train together on occasion for similar reasons.
- ❖ Goalkeeper-specific trainings will also be offered on a weekly basis once the season has begun. Players interested in becoming a goalkeeper are encouraged to attend goalkeeper specific camps in the summer to expand their knowledge of this unique and important position.
- ❖ The Madison 56ers coaching staff works as a unit. It will not be unusual for a coach to cover a training or game for a team that is not his/her primary team. This is a great opportunity for players to be exposed to different members of the 56ers coaching staff.

TENTATIVE 2011 FALL TOURNAMENT SCHEDULE

<i>RED TEAMS</i>	<i>WHITE AND SILVER TEAMS</i>
FC Milwaukee (August 12-14)	FC Green Bay (August 20-21) [no Silver] at Fond du Lac
Madison 56ers (September 9-11)	Madison 56ers (September 9-11)
Octoberfest Classic-Libertyville, IL (Oct. 7-9)	Ice Age Classic (October 29-30)

PARENT/FAMILY EXPECTATIONS:

The following are mandatory expectations for families/parents of players in the Madison 56ers Soccer Club. The Madison 56ers Soccer Club has a paid coaching director and office administrator. The rest of the club's initiatives are coordinated by volunteers. ***All families must participate in volunteer activities or pay a fee to opt out.***

Volunteer at the Fall Madison 56ers Tournament: All families must volunteer 3 hours per player at the fall Madison 56er tournament, which is the Madison 56ers biggest fundraiser, and participation is a must to ensure its success. Families with conflicts on September 9-11, 2011 must pay a fee in advance to the Madison 56ers Soccer Club in lieu of their required tournament volunteer time. ***A tournament sign up sheet with more details is included with this packet and needs to be turned in with player deposit.***

Volunteer 6 Hours to Club or Team: In addition to the tournament requirement, each family is required to volunteer a minimum of 6 hours for team duties or club duties. There are many opportunities to volunteer your services for individual teams AND the club. Managers will provide lists to sign up for team duties. Please contact the club directly at 608-273-1956 if you are interested in volunteer opportunities and have any special skills that you'd like to use to benefit the club.

Fee Payment and Scholarships: Families will be expected to pay fees on time. Scholarships are available and are based on financial need. (Tax forms and an application are required.) Information is posted on the Madison 56ers website at www.madison56ers.org/scholarship.asp. For further information, please contact scholarship coordinator Tom Mooney at scholarships@madison56ers.org.

Additional Funds will be required for coaches travel expenses to tournaments and games outside of Dane County and miscellaneous fees. UNIFORM COSTS ARE EXTRA and are paid directly to Stefan's Soccer Supply. Uniforms need to be ordered quickly to ensure that they have arrived by the first competition dates. Please pay special attention to deadlines. Indoor league fees are additional as indoor league participation is optional.

Code of Conduct: Last but not least, parents should follow the Parent Code of Conduct and display positive attitudes at all times when on the sidelines or at other team functions. The players also have a Code of Conduct that must be signed and returned with deposits.

The Madison 56ers Soccer Club would like to thank you for considering our club. Please contact us at 608-273-1956 with any questions or e-mail madison56ers@gmail.com. You can visit our website at www.madison56ers.org for further information

MADISON 56ERS SOCCER CLUB NATIONAL PREMIER LEAGUE (NPL) Q & A

Will the Cost Be Greater For This Programming?

There will be an increase in cost for those competing on NPL teams. This difference is to cover securing consistent and improved indoor training space for the off-season training sessions. This is a regional league so for those not currently on or having experienced regional league play there are additional travel costs - transportation, food, lodging. For those accustomed to regional league play it will be similar in some respects, though depending on the schedule, possibly less travel than MRL.

Is There Going To Be A Lot of Travel?

While there are clubs involved in the league that are some distance away, MO, KS, MN, we will not necessarily travel to all of these clubs, some will be coming to us. It will depend on the schedule any given year or season - sometimes we may have 2-3 longer trips and other times it may be limited to the Chicago area. Since the Madison 56ers teams will play at each location together, with 2 teams traveling together in the fall and 5 in the spring, there is great potential for using buses and / or plenty of opportunity for ride-sharing.

What Are Some Key Benefits Of This New League?

- One key benefit is the level of competition our players will be facing day in and day out. Some of these clubs are regionally and nationally recognized. Our athletes will enjoy high-end competition every time they step on the field, a key component to raising the level of our own players. Also we do not need to qualify for this league by winning at younger age groups, we are a part of the league. Dedicated players need to know if they want to face strong competition all the way through their youth soccer days this is the place for it.
- When we do travel all the teams will be going to the same place, suggesting a more 'unified' or 'club' atmosphere as opposed to each team being off on their own each weekend. This will also allow for more opportunities, when appropriate, to club pass players 'up' onto older teams. This can be to help teams that are short players for a game or to give younger players an opportunity to test their skills against more developed players.
- Showcase events put on by the league allow us 'pre-season' games ahead of the start of the season against excellent opponents from the Erie Division. These events will be promoted by the league to college soccer coaches and to US Soccer scouts for the appropriate age groups.
- These teams will play one game a day, which we feel is appropriate for the players to ask of themselves in order to get optimum performance for each competition.

Will These Teams Play State League and NPL?

We only plan to register the U13 & U14 teams in state league and NPL. They will have 6-7 NPL games and 7-8 state league games. As a result there will be fewer tournaments on their schedules but they will play in the WYSA State Championships in the spring. The high school aged teams will have a 10 game schedule and will therefore not have enough space in the calendar to play state league. They will also not participate in the state championships as in order to do so they must be registered in a United States Youth Soccer (USYS) league, which NPL is not. While disappointing for some, we feel the ability to compete for a regional title against heavy competition is an experience that will favor our most competitive athletes.

Why Are We Making the Change?

Quite simply, to secure ourselves top competition every year. With the knowledge of who we will face each season, regardless of whether we are winning or not at U11 and U12, allows us to truly stress player development at those younger ages with no concern with results and how or if it will impact our placement in the coming years. We want to continue to develop and attract top-level players and if high level soccer is what you want, this is the place to get it.

Will The Training Schedule Be Any Different?

For the high school aged teams it will be virtually the same: 3x/week in the season and 2x/week in the winter with a Sunday and mid-week session. U13 and U14 will see a change with the addition of a mid-week off-season indoor session. There will be a stronger emphasis on the winter training and attendance will be necessary if we are going to be prepared and do well in the spring.

Why Is There No U17 Age Group?

Traditionally at U18 and somewhat at U17 there is a falling off by players as their priorities change and they become less committed to the game. As a result it becomes very difficult for clubs to consistently field teams at both U17 and U18 for games at this level. Therefore there is a U18 age group that we expect will be comprised of the players with both the capabilities and the commitment to participate on a team with this sort of schedule.

IMPORTANT NOTICE PLEASE READ IMMEDIATELY

If you are offered and accept a position on a Madison 56ers team, you must make a **NON-REFUNDABLE deposit of \$250** within 48 hours in order to secure a roster spot on the team. If we do not receive the deposit, you risk losing your position on the team. Positions will be offered in writing by email. Some players may also be called on the phone. Up to 6 alternate offers will be given per team. Alternates will be notified of their status as soon as it is known whether positions will open or not be available.

If you will be out of town during the notification period, please make arrangements to check email or voice mail or provide an alternate phone number so that you may be contacted. Please plan a way to get deposits to the Madison 56ers.

Office hours are Monday-Wednesday and Friday from 10:00 AM-2:00 PM. Deposits may be slid under the door after office hours. For questions, please email madison56ers@gmail.com or call 608-273-1956. If the above payment schedule cannot work for you, please contact Mary Jo at 608-273-1956.

The Madison 56ers notification/response rules are governed by the MAYSAs "Tryout Rules for 2011-2012." The rules can be accessed at www.maysa.org. Click on the link for tryouts on the home page. Once at the tryout link, a link to a five-page PDF version of the 2011-2012 Tryout Rules is available.

Madison 56ers and Madison Alliance notification dates are:

- ❖ U-11 through U-14 Boys and Girls will be notified on or after June 13
- ❖ U-15 through U-18 Boys will be notified on or after June 18
- ❖ U-15 through U-18 Girls will be notified on or after June 25

Alliance offers will occur on the same days as the Madison 56ers offers. Players may get an offer to both an Alliance Team AND a 56ers team. It is your responsibility to respond to ANY team that you obtain an offer from. Do NOT assume that one club will notify the other. The names of ALL players not making 56ers teams will be given to the Alliance Age Group Commissioner who will be making offers to those who indicated the desire to play on an Alliance soccer team. Please contact your Alliance Club for the status or follow-up on Alliance offers.

MADISON 56ers SOCCER CLUB CODE OF CONDUCT—PLAYERS

GENERAL

The Madison 56ers Soccer Club expects that all participants will maintain a high standard of conduct at all times and will enforce the standard firmly and fairly. If and when violations occur, the violator will receive disciplinary action from the Madison 56ers Soccer Club according to its Rules and Policies.

STANDARD OF CONDUCT

1. ***Be a good sport whether you win or lose.*** Show a positive attitude toward your teammates, coaches, game officials, and spectators watching the game.
2. ***Respect the people you play against.*** After all, without them, you would have no one to play. Address no comments to opposing players, coaches, spectators, or referees unless your comments express genuine friendship and respect; or unless they constitute a direct response to questions by game, league, or tournament officials. In other words, “If you can’t say anything nice, don’t say anything at all!”
3. ***Follow the rules.*** Your team, the league and soccer in general all have rules for practices and games. Practices and games are more fun and safe within the rules.
4. ***Be there for your team!*** Players are expected to be at all team activities and to arrive on time with proper equipment and prepared to play. Players are expected to be at all team activities even if they are unable to actively participate. The guideline for player attendance at team activities is: if the player is able to go to school, she/he is expected to attend the team activities. The converse is also true: if the player was unable to attend school, then the player should not attend the team activity. Whenever a player is unable to attend a team activity, the player is expected to let the coach and team manager know in advance in writing or via telephone. Unexcused absences and other disciplinary matters will be handled in accordance with the team policies set by the coach and the Madison 56ers Director of Coaching at the start of the season.
5. ***Players play in games at the sole discretion of the coach.*** Despite any other assurances, players are not guaranteed playing time. Players play at positions assigned at the sole discretion of the coach. Players should not demand to play or not play certain positions. You must remember that you are playing competitive soccer and the coach will play you where it is best for the team and your individual development. Because the program goals include improvement of each participant’s soccer skills and knowledge, coaches can, when appropriate, use game and practice situations to teach new positions to players.

I agree to abide by this Player Code of Conduct at all times.

MADISON 56ers SOCCER CLUB CODE OF CONDUCT—PARENTS

GENERAL

The Madison 56ers Soccer Club expects that all participants will maintain a high standard of conduct at all times and will enforce the standard firmly and fairly. IF and when violations occur, the violator will receive disciplinary action from the Madison 56ers Soccer Club according to its Rules and Policies.

STANDARD OF CONDUCT

1. **Set a good example whether you win or lose!** Exhibit a consistently positive attitude toward players, coaches, officials, and spectators. *IT IS NEVER ACCEPTABLE TO YELL AT A REFEREE!* Encourage each team member; an encouraging remark can work wonders.
2. **Refrain from coaching your player or any other player.** Coaching consists of giving directions or information to players. The Madison 56ers encourage “cheering.”
3. **Refrain from yelling at the referees, coaches or players.**
4. **Respect the opponents.** Without them, your son or daughter would have no one to play against. Address no comments to opposing players, coaches, spectators, or referees unless your comments express genuine friendship and respect, or unless they constitute a direct response to questions by game, league or tournament officials. In other words, “If you can’t say anything nice, please don’t say anything at all.”
5. **Refrain from smoking or alcohol consumption during soccer games or practices.** Point out the disadvantages of smoking, drinking and drug abuse, especially in athletic performance, to your players.
6. **Remain even-tempered; display no ill-tempered behavior.** Foul language has no place on the soccer field, either at games or practices.
7. **Support your player and the team** by following the rules regarding equipment, practices, and arriving on time and ready to play. Be sure that your player has the proper clothing and equipment every time he or she steps onto the soccer field.
8. **Support the league** in which your son or daughter plays and promote its programs.
9. **Follow field rules during games.** Parents are to be on the opposite side of the field from players during games. Only team players and coaches are allowed on the teams’ field side before, during, and after games.

I agree to abide by this Parent Code of Conduct at all times.

24th Annual Madison 56ers Invitational September 9-11, 2011

REQUIRED PARENT VOLUNTEER SIGN-UP INFORMATION

The annual 56ers Fall Invitational is one of Wisconsin's premier soccer events. It is also our club's major fundraising effort. In order to put on this tournament we continue to rely on all of our 56ers families, who have generously donated their time and talents for past tournaments. Unlike many tournaments, none of our tournament staff are paid – we are all 56er family volunteers.

As a part of your commitment as a 56er club member, a representative of each player (a parent or adult 14 years of age or older) is **required** to either: (1) donate 3 hours of volunteer time to the tournament (six hours maximum per 56er family) or (2) serve on one of the tournament committees. A description of the committees and their duties is attached. This commitment is over and above the time you may also donate to your children's individual team(s).

Since all 56er teams benefit from the proceeds of this tournament, boys high school age teams are not exempt from this obligation even though their season does not start until the Spring of 2012. All team managers are automatically exempt from tournament service, although in the past many managers have helped out anyway. If you are unable to commit to filling a 3-hour tournament shift (per child, up to 6 hours per family) or serving on a committee, you may opt out by paying a \$75 fee (per player, up to \$150 per family) due at the time you submit your 2011-2012 deposit. If you do not pay the \$75 fee, and if you then are assigned a tournament shift or committee role that you do not fill, you will be invoiced \$150 per player. Please make every effort to honor the volunteer commitment.

OK, I'll admit, since it's required, maybe "volunteer" is the wrong word. But working the tournament is actually pretty fun, and without the effort of club families the event could not take place.

All players accepting a spot on a 56ers team for the 2011-12 season are required to return the Parent Volunteer Sign-Up Form (attached) with your initial deposit.

If you are interested in serving on a tournament committee, please check the box next to any in which you have an interest (you may check more than one). Please be advised, if more folks volunteer for a committee than we have room for, you may be assigned a 3-hour shift the weekend of the tournament instead.

Thank you for joining us to make the 2011 Fall Invitational another big success.

56ER TOURNAMENT COMMITTEES 2011

If you have the time to make a bigger commitment, please consider helping on a tournament committee. If you join a committee, count on at least a 6-hour commitment, and if you have the time to do more we will greatly appreciate it. Thank you in advance!

- **Field Marshal Committee:** Effective field marshals are the key to a smoothly running soccer tournament. Last year we introduced this committee as an innovation to help in this area, and it was a big help. Field Marshal committee members are volunteering to serve an entire half-day shift at the tournament either Saturday or Sunday as a field marshal, instead of just a 3-hour shift. No prior experience as a field marshal is required – you'll receive training information prior to the event. Please consider this commitment: it is an enormous help. Need 15+ people.
- **Tournament Operations Committee:** These volunteers will work with the tournament operations director to coordinate registration and scoring at the tournament. Computer skills (excel, web-based data entry) are needed. We need 5+ people.
- **Saturday Night Party Committee:** These volunteers will work to organize and implement the really great Saturday night party. We need 5+ people.
- **Awards Committee:** These volunteers will handle the acquisition and distribution of awards to winning teams. Need 3+ people.
- **Concessions Committee:** These individuals will work with the concessions director to set up and operate concessions at the tournament. This may entail working prior to the tournament in provisioning, cleaning and setup and/or helping oversee shift volunteers in the concessions area during the tournament. We need 3+ people.
- **Competitive Committee:** In order to effectively create competitive flights we need to research the competitive history of each applicant. If you're one of those parents who are good at this, you might find this committee fun. Probably 3+ people.

Volunteer Commitment (choose one of the following);

- I will fill a 3-hour volunteer shift September 9-11, 2011.
- I would prefer to volunteer on a tournament committee. I understand that if there are no spots available on the committee, I will fill a 3-hour volunteer shift at the tournament on September 9-11, 2011.
- I believe I am exempt from volunteer duties, for the following reason(s):

Note: All exemptions will be reviewed and must be approved by the tournament director.

- I would like to opt out by paying the fee. Enclose \$75 per player, \$150 max.
